OBJECTIVE

To harness my skills and potential in the field of Information Technology and work in an environment that helps me achieve my professional goals in business and data analytics.

EDUCATION

Lawrence Technological University

Masters in Information Technology and Data Analytics (GPA: 3.92)

Southfield, Michigan

Aug 2019- current

Patkar Varde College

Master of Science in Information Technology (MSc IT) (GPA: 3.61)

Mumbai, India

Aug 2016- July 2018

Nagindas Khandwala College

Bachelor of Science in Information Technology (BSc IT) (GPA:3.05)

Mumbai, India

June 2013 - May 2016

SEED InfoTech

Software Testing Diploma (Certification) (A- Grade)

Mumbai, India

June 2103 -Aug 2016

TECHINICAL SKILLS

Tableau, XLMINER, QlikView, Python, Colab, C#, ASP.Net, HTML, JavaScript, Selenium, Quick Test Pro (UFT), Load Runner, Quality Center (ALM) 11.0, Oracle RDBS, M.S. Visual Studio, SQL Server, M.S. Office.

PROFESSIONAL SKILLS

Lawrence Technological University

Sept 2020- Present

Graduate Research Assistant

- Researched information regarding "Stock market Analysis" to assist professors with academic pursuits with the help of web scraping.
- Gathered, reviewed, and summarized literature from journals via IEEE and Google Scholar.
- Created a neural network with the help of Python for Predicting the data in Colab workbook.
- Created data visualization with the help of Tableau.
- Analyzed acquired information and presented to professors.
- Assisted Professor with data collection and performed ETL via tableau.
- Validated incoming data to check information accuracy and integrity while independently locating and correcting concerns.
- Summarized search results by preparing written reports, graphs, fact sheets and tables

Lawrence Technological University

Sept 2020- Present

Student Assistant, Library

- Responsible for, first and foremost, for excellent customer service to library patrons and staff.
- Perform task and functions of the circulation desk, and report directly to the coordinator of library access service.
- Straighten, shifts and manage book stacks and periodic shelves.
- Assist in the check-out and check-in of library material using WorldShare Platform.

Lawrence Technological University**Jan 2020-May 2020***Private Tutor, Disability service*

- Responsible for teaching a visually impaired student Software Engineering as a course requirement.
- Collaborated with students to complete homework assignments, identify lagging skills and correct weaknesses.

WebXpress-Logistics Software Company**Sept 2016-Dec 2016***Student Intern*

- Monitored ongoing operation of assigned programs and responded to problems by diagnosing and correcting logic and coding errors via MS visual studio.
 - Performed Regression testing on the code by using Selenium.
 - Adjusted software parameters to boost performance and incorporate new features.
-

ACADEMIC PROJECTS**Analysis on Covid-19****Lawrence Technological University, May 2020**

- Worked on Tableau Platform to create visualization on Covid-19 cases, death and which mask material helps to contain the spread of Covid-19.
- Also Performed ETL Process on the datasets.

Flight Data Analysis**Lawrence Technological University, Dec 2019**

- Working on analysis of Flight_Prices and Flight_Delay datasets on QlikView.
- Focus was to make business decisions related to flight price hikes, delays and overcoming them.

Counterfeit Currency Detection**Patkar Varde College, India, June 2018**

- Masters Final year project using MATLAB software where I had to analyze which algorithm gives accurate results (Robert, Sobel, Prewitt).
- This gave an opportunity to learn and implement big data analytics.

Online Machinery System**Nagindas Khandwala College, India, May 2016**

- Undergraduate Final year project. It aimed at finding a solution to a problem that exists in buying machinery and industrial tools online.
 - I created website for the same by using ASP.NET with C# for coding and SQL Server for managing the database.
-

EXTRA-CURRICULAR ACTIVITIES

- Member of the management committee for an intra-college event called "KNOW-IT"
 - Participated in organizing an international seminar titled "Research In IT: Aspect of Data Analytics."
 - Volunteered in various Rotaract Club events like cleaning the beaches & streets of Mumbai.
-
